Eight years ago our marriage was in misery. We became completely disconnected with each other. Our personal impasse caused us to discuss divorce. We were told about a weekend ministry program which helps troubled marriages. As a last ditch effort we signed up for a **Retrouvaille** weekend and six post sessions offered by the diocese's **Center for Family Ministry**. The weekend experience changed our lives. It provided hope, healing, and communication tools that restored our relationship.

Jim and Kim

Thank you so much for your generosity to the **2010 Catholic Ministries Appeal**. Your donation goes toward educating and forming the future priests for the Diocese of Joliet. We currently have 23 seminarians studying at 6 different seminaries around the Midwest and in Rome. The tuition for each seminarian is approximately \$25,000 per year. Your donation is an investment into the future of our Diocese. I am so grateful to you personally for the formation that I received at **Mundelein Seminary**. I feel that I was well prepared for the ministry I am doing and that was made possible by people like you.

"For generations **Catholic Charities** has been a vital arm of the church, putting into practice the corporal and spiritual works of mercy. This love in action is basic to the mission of the church, for the Lord Jesus has commanded us to love as He has loved...and to love with His very love. God's beloved poor continue to seek His presence in us, and the helping hand we extend is in fact His hand."
