FRIENDS of the BBSF was established 15 years ago as a time and place for renewing “old” friendships and making new ones. Former members of the Diocesan Board gathered together to catch up on friends whom they had not seen in several years. It was determined that this should be an annual event and that over the years the invitation to join was extended to anyone who was supportive of the purpose to assist worthy high school students with growing tuition costs. To date Friends has raised \$26,077.21 for the BBSF, thanks to your continued support and generosity.

This year we are making a few changes in the programming of the event. We will not have the usual Mass due to comments received on the evaluation; this will be replaced with a brief Prayer Service.

The raffle and 50/50 Split the Pot will be continued. Hence, we will need prizes for the raffle. Please bring them with you to the Luncheon. We encourage you to invite your spouse, mother, sister, a friend or two, or another CCW member. ALL ARE WELCOME.

This year we are offering a choice of entrée: White Fence Farm Chicken or French Fried Shrimp. (Please indicate your choice on the reservation form.) Cost - \$25.00 per person
