GENERAL GUIDELINES

Assumption Cemetery & Mausoleum has created specific and personalized decorating regulations that govern to maintain the enduring beauty of the surroundings, as well as provide visiting family and friends a pleasing and sacred place to gather for prayer and remembrance.

Our wish is to be as sensitive as possible to your needs in allowing you to express your grief and love in adorning your loved ones site, keeping in mind the reverence and beauty of the entire cemetery.

PROBLEMS BEYOND OUR CONTROL—Since the cemetery is open to the public, it is very difficult to control the activity of every visitor. We regret that we cannot guarantee items from damage or disappearance. *We'd advise you not to place any objects of sentimental value.*

CRYPT Decoration Policy & Guidelines

The Catholic Cemetery is a Holy place. These grounds and buildings are blessed by the Church as a place of prayer and dignity for our faithful departed.

Please maintain a quiet reverence and respect for others visiting the final resting place of their loved ones.

We encourage the placement of decorations in moderation and we also ask that the utmost respect be given to all the personal decorations placed by families in this mausoleum.

Please do not disturb the decorations of others as they hold a special meaning to them and their family whose loved ones are remembered here.

Catholic Cemeteries reserves the right to remove any decorations that we consider inappropriate, do not conform to the guidelines, or may cause damage to the mausoleum or injury to our visitors or maintenance personnel.
