Religious Education Office

Order yours today!

This long-awaited document from the United States Conference of Catholic Bishops is a **“must-read”** for any **Pastor, DRE/CRE, Youth Minister, Principal, or Director of Adult Faith Formation**. The *NDC*

- synthesizes the *General Directory for Catechesis* for catechesis in America
- builds on and clarifies themes of the *General Directory for Catechesis*
- puts catechesis within the context of life in the U.S. Church, in light of our particular social and cultural challenges
- calls for an evangelizing catechesis through improvement and adjustment of parish and diocesan catechetical ministries.

Take advantage of our special diocesan \$20 offer now. Instead of paying the list price of \$19.95 for just the NDC, order through us, and for only five cents more, get the very useful *Summary of the National Directory for Catechesis* as well. That’s a savings of \$3.90 over the combined list prices. Or, for just \$3 each, you can make the *Summary* (normally \$3.95) available to parish catechists and schoolteachers at a price you can afford.

We can save you even more – no shipping cost when you pick up your order at the REO, or for small or medium-sized orders, let us bring your copies to your first local cluster meeting in August or September. Please complete and mail in your order form, below, along with payment. Contact Joyce Donahue with any questions: (815) 727-6411.
