It's NOT an Oasis in the Desert... Morning of Reflection With Leland Nagel

Director of Education, Diocese of Green Bay

God is calling you to be drenched in the waters of Baptism. Renew your belief in the promises that you will never be abandoned. Let's find an oasis in a snow bank, refreshing waters in the palms of touch and tropical fruits in a variety of spiritual experiences designed to inspire you with the very breath of God. Wait for Spring? Do it now. You deserve it.
