

Easter Season 2006
Faith Sharing Resource

At Prayer with Mary presents a very human and accessible image of Mary, as one who strove to live as God called her to live. In reflecting on the true character of Mary—her deep faith, her humanness, her poverty, and her struggles—we are inspired to follow her example. (*RENEW International*)

At Prayer with Mary includes 7 sessions. These sessions are suitable for Small Christian Communities and private reflection. Although *At Prayer with Mary* is being promoted for the Easter Season, it is also appropriate for other times of the year. For your convenience, the Diocese of Joliet Religious Education Office is offering these reflection books for \$4.00 each.
