

The Diocese of Joliet
Religious Education & Catholic Schools Offices Announce:

New Curriculum Options for Safe Environment Training

***Review Days:
June 8 & August 18, 2006
9:00-11:00 a.m.***

***St. Charles Borromeo Pastoral Center
Romeoville, IL***

We want to provide opportunities for people who want additional choices for training materials for children (or parents). The REO and CSO have chosen several new videos and story books for students at different age levels. We have a new Spanish parent video as well.

One day is being scheduled in June for those who are ready and need to plan ahead, another in August particularly, though not exclusively, for newly hired principals, Directors of Religious Education and Youth Ministry. At the August meeting, there will be an opportunity for those who are new to the Diocese to receive orientation to the safe environment process.

For those of you who are unable to attend either day, please call Joyce Donahue at the REO (815-727-6411) or Pam Gean at the CSO (815-838-2181) to arrange a time to talk or to come in to review materials over the summer.

Information about safe environment audit deadlines will be provided as soon as it is available from Washington.
