Carol has done so much more than open the Scriptures to me. She has given me a deeper love for the Word of God and at the same time a thirst for more.

Suzanne Placzek, Western Springs

Carol Kloss brings the [Bible's] stories out of the past and they come alive. Carol is one of the most inspiring teachers of Old Testament history and culture I have ever experienced. She is true always to the teachings of our faith and upholds the Catholic Church with firm and correct instructional insights and teachings.

Mary Michalski, Plainfield

[Carol Kloss] is an amazing teacher who guides and leads us on this [Bible] journey. She realizes that we are adults and that we all take this seriously and we are trying to do our best. Carol makes class fun and interesting and her lectures are never boring!
