

THE PEACE AND JUSTICE INSTITUTE PRESENTS

GOD'S JUSTICE AS REVEALED IN THE BIBLE

September 11, 2008
St. Charles Pastoral Center
Romeoville, IL
9:00am—3:00pm

IN THE FULLNESS OF TIME, God reveals His system of loving justice to man in the Bible and beyond.

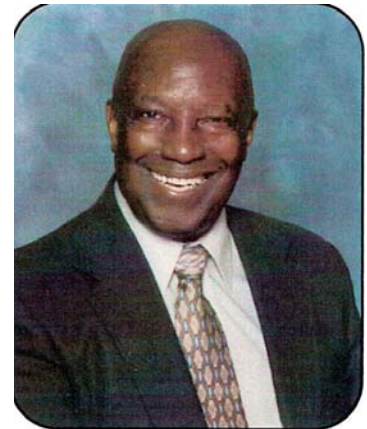

- I. In the Book of Exodus God raised up Moses to reveal his justice in action against Pharaoh and Egypt in favor of the Hebrews. He commanded the Hebrews to remember and promote God's system of justice throughout the world.
- II. When Hebrews struggled with God's system of justice despite being constantly cajoled by the judges and prophets, God sent Jesus ("in the fullness of time") to revive his system of justice on the earth. Jesus did this as related in the Gospels, but especially in his five-point program in the Gospel of Luke.
- III. "In the fullness of time" even in our day God continues to send modern day prophets to promote his system of justice for the oppressed in our world. That very thought gives us constant HOPE.

"Action on behalf of justice and participation in the transformation of the world fully appear to us as a constitutive dimension of the preaching of the Gospel, or, in other words, of the Church's mission for the redemption of the human race..."
