Families and Faith

A One Day Workshop for All Parish Leaders

April 17, 2006 at the St. Charles Pastoral Center in Romeoville, Illinois

Sponsored by the Center for Ministry Development and Generations of Faith Project

Lifelong learning begins at home! This workshop raises the bar for parish leaders, and for families and households, to make a stronger commitment to exploring faith at home. We seek to shift the paradigm of household faith growth from something optional and hoped for, to something that is expected, from being extraordinary to being ordinary. This workshop is based on the new book *Families and Faith* (Twenty-Third Publications) and is designed specifically for parish staff, ministry leaders, and faith formation leaders. It is an ideal learning opportunity for Generations of Faith teams, as it supports the vision of lifelong, intergenerational faith formation for the whole community.
