Creating a Catechetical Plan: A How-To-Do-It Resource

by Rev. Robert D. Duggan, S.T.D.

All parish catechetical ministries (including Catholic schools) should develop a catechetical plan. How, exactly, does one do that? Duggan streamlines the process of planning to a step-by-step method that requires no special training

The NCEA “blurb” for the book:

The *National Directory for Catechesis* calls for every local community to have in place a catechetical plan that embodies the prophetic vision of faith-formation contained in the *NDC* and other recent documents of the Magisterium. It is one thing to call for a comprehensive, strategic approach to catechesis in official documents and quite another to develop it on every level. The author, with many years experience as a pastor of a busy suburban parish, sets out the practical steps toward shaping a catechetical plan for dioceses, parishes and schools. 2006. 51pp. (NCEA non-member cost: \$16)
