## THE INITIATION EXPERIENCE: BEGINNINGS

*In partnership with The North American Forum on the Catechumenate*

**is coming to**

**St. Anne's Parish, Oswego, IL (Diocese of Joliet)**

**August 14-16, 2008**

The Beginnings Institute is an intensive three-day institute that seeks to provide participants with the vision and dynamics of the *Rite of Christian Initiation of Adults*.

Participants at most institutes include:

liturgists, pastoral musicians, pastors and associates, catechists, Catholic school principals and teachers, parish Catechumenate teams, and sponsors. Some are paid staff members, many are parish volunteers.

Participants explore and share how they see the vision being implemented in their own communities. This institute is designed to provide a working knowledge of the flow of the initiation process and to challenge participants to explore the connection between good liturgy and good catechesis.

**The registration brochure will soon be online.  
Access Forum's website at [www.naforum.org](http://www.naforum.org) for online registration  
and for a downloadable copy of the brochure.**
