VISION OF THE GOSPEL, THE: GOSPEL OF LUKE, THE

Himes presents a powerful case as to why the main theme of this gospel is "strong compassion" - a theme which flows through the parables, miracles, and events of Jesus' life. This gospel tells the reader that God is at work in unexpected places and so calls for a revolution in which the poor are raised up and the rich sent away empty. SA SBNX0104 28 Min
