The Dignity, Vocation, and Mission of the Catechist

With Victor Valenzuela

National Religion Consultant for Bilingual Resources
for William H. Sadler, Inc.

For beginning and experienced catechists, this event is designed to allow them to focus and reflect on their ministry in a communal setting, learning and growing from their interaction with one another.

Este evento es para principiantes o expertos catequistas de habla hispana. Se les permitirá concentrarse y reflexionar en su ministerio en un establecimiento común, el aprendizaje y el crecimiento de su interacción con otros.

Originally developed for Hispanic catechists, this is an experience of community and learning for all catechists.

Counts as 5 hours of Diocese of Joliet Catechist Formation in the "Being" category.
