**Fr. Tony Taschetta:**

This author of several religious education programs, popular preacher, retreat master and mission director, brings almost 40 years of experience as a diocesan priest to our institute. Currently serving as the Pastor of Mary Queen of Heaven in Elmhurst, Fr. Tony will share with you on how to teach The Eucharist at any grade level. As we enter the Diocesan Year of the Eucharist, you will learn how to nurture a life-long love for the body and blood of Christ with your students and yourself.

**Ms. Dianne Kleber** will help you approach your classes with love and creativity bringing fresh ideas and activities to your students. With over 12 years of experience in parish ministry including the role of Catechist, she will share her proven techniques on how to look at the gifts that your students are and how to plan your class to reflect those gifts. She will also celebrate the gifts that you are as catechists and how to use your gifts to spread the Gospel to your students. Catechist success is just 10 easy steps away!
