

Diocese of Joliet Presents:

YLC 2008

At Lewis University

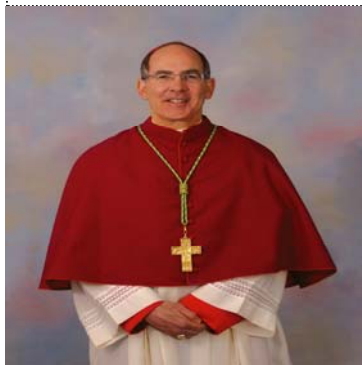

June 27-29

YLC is an exciting three day event for youth that are leaders in their parish. We will have great speakers, music, food and prayer. This event will challenge you to grow in your leadership skills and your faith. A great time to see old friends and make some new ones.

Bishop Sartain will be joining us for a keynote address on Friday and then celebrate Liturgy with us on Sunday. Doug Brummel will be our emcee for the weekend as well as give a keynote address on Sunday.

We have some much more to offer, come and check it out.
