Leadership Day #2

“Moving from Instruction to Formation”

This one-day program will be offered at two locations for your convenience:
March 8, 2007 at St. Daniel the Prophet in Wheaton
March 9, 2007 at St. Anthony in Frankfort

The NDC, Part Two: a Practical Plan for Catechetical Ministry

This Leadership Day picks up where the October Leadership Day left off – with the practical implications of the National Directory for Catechesis (NDC). Dan Mulhall of the USCCB Department of Education will return to teach us how to plan the transition from an instruction model to a formation model of catechesis, as called for by the NDC. Dan was present when the NDC was being written and has since consulted many dioceses on implementation.

This day will be practical and hands-on, in a workshop style. The ministry experience each catechetical leader brings will be the starting point for a day that:

- Examines the difference between an instruction and formation model
- Identifies the tasks required to transition between the two
- Identifies what needs to happen in what order for transition to occur
- Assists the learner in planning for this transition at their local parish.

Cost

Cost for the event is \$25.00 per person, if registered, or \$35.00 per person at the door. Price includes continental breakfast, lunch, workshop, and program materials.
