

## Free clinics and community health centers in Du Page County.

The following listing of healthcare providers is offered without endorsement. The Diocese of Joliet makes no representations or warranties of any kind, neither does the diocese express or imply the competency of any service provider. Any reliance you place on any of these providers is strictly at your own risk. Further, provision of this list should not in any way be seen as confirmation that the healthcare provider is in conformity with the [U.S. Bishops' Ethical and Religious Directives](#).

Below are the listings of free and low cost clinics in Du Page County. These clinics can help low-income and uninsured people by offering free and discounted rates for medical and/or dental care. We welcome user reviews and corrections of clinic listings, as we strive to provide our users with the best and most up-to-date information possible. Simply click on the clinic listing for more information.
