

# *Credible Catholic Workshop*

Thursday, June 14, 2018 - 10am - 2:30pm

Blanchette Catholic Center

16555 Weber Road, Crest Hill

**Credible Catholic**

Catholics, particularly youth, are leaving the faith in record numbers based on the false perception that faith and reason are incompatible. In response, Fr. Robert Spitzer, S.J. (renowned philosopher and theologian) has developed a 7-lesson curriculum to combat this trend in parishes and Catholic schools.

Join Mike O'Hara & Dr. Anthony Lemus from the Magis Center for a program overview, training, and discussion about the 7 ESSENTIAL Modules:

- #1: Medical Evidence of a Soul
- #2: Scientific Evidence of God's Existence
- #3: Philosophical Proof of God's Existence
- #4: Proof of Jesus' Resurrection & Divinity
- #5: Why Be Catholic?
- #6: True Happiness
- #7: Why Would An All-Loving God Allow Suffering?

Credible Catholic has received impressive initial results in helping youth and young adults find the truth about their souls and our faith. This highly flexible resource also has applications for adult faith formation.
