“Through Fr. Mario Quejadas’s personal invitation, I was blessed to serve on three Diocese of Joliet college mission trips to Bacolod, Philippines. During the first mission, with Bishop Conlon and Fr. Mario, I finally decided to stop trying to persuade Jesus and see what this seminary thing was all about. After trying to create my own plans in life, it was time to surrender to the Lord’s plan for my life. After four years in seminary, I can say that was the best decision in my life.”

Lord Jesus, we ask your blessing on our seminarians.  
Give them courage and perseverance. Be their constant  
companion as they prepare to serve you and your people.  
Fill their hearts with the fire of your love. Amen.
