

the Diocese of Joliet Adult Faith Formation Association presents

# Practicing the Spirituality of Your Own Work

*...and Helping Your Parishioners Do the Same*

featuring **Gregory F. Augustine Pierce**

Is God present in every workplace? *Of course.*

Is it always easy to experience that presence? *Sometimes not.*

**That is where practicing the spirituality of work comes in.**

This session by Gregory Pierce, publisher, consultant, and the author of *Spirituality at Work: 10 Ways to Balance Your Life On-the-Job* (as well as several other books) will explore "disciplines" that can be practiced in any work environment that will both raise awareness of the presence of God and allow that awareness to inform how we do our jobs. Special attention will be paid to how those who work for the Church can practice a spirituality of their own work and then help others to do the same.
