

YEAR OF THE EUCHARIST

Family Activities: St. Gianna Beretta Molla

- Take some time to visit a web site like www.saintgianna.org. View the pictures, read her biography, and look at the prayers. Discuss what you admire about St. Gianna.
- With older children, watch and discuss the short video from Catholic News Service on St. Gianna at <http://www.youtube.com/watch?v=xivG5t69wc0>.
- As a family, choose one (or more!) special intention(s), and for the next 9 days, pray the Novena to St. Gianna together as a family for your intention(s).
- Use the opportunity to talk to your older child (grades 5 and up) about God's plan for most boys and girls to grow up to become a parent in a family – one man, one woman in marriage, with children. Talk about how parents love their children enough to make sacrifices for them.
