

# YEAR OF THE EUCHARIST

## Family Activities: St. Clare

Have a family member who is good at drawing draw on heavy paper a picture of a large host and chalice under it. Turn the paper over and draw puzzle pieces (the number being for the members of your family); on each puzzle piece write a name of each family member and cut apart. Put the puzzle together. If having a problem turn the picture over and use the Eucharistic picture to reconfigure the pieces instead. Stress: WE HAVE UNITY THROUGH THE EUCHARIST.

Watch as a family and discuss – especially the role of St. Clare in Francis' life::

***BROTHER SUN, SISTER MOON*** 120 Min. This classic portrayal focuses on the early years of St. Francis of Assisi. Francis sought communion with the natural world by renouncing the riches of his family in order to seek his own destiny unencumbered by material possessions.
