

YEAR OF THE EUCHARIST

Family Activities St. Damien of Molokai

Visit the Diocese of Honolulu website for St. Damien to find resources and activities <http://www.fatherdamien.com/damien.html>

A good short video of his life to watch as a family one created by a young student found at <http://www.schooltube.com/video/4f6dc0eff4840018970/Saint-Damien-of-Molokai>

Watch a video or read a short biography together of Father Damien (suggested, the Diocese of Joliet children's biography) Talk about how Jesus showed his love for sick people through Father Damien and tell children that people from your own parish regularly take the Eucharist to people who are too sick to go to Mass – in hospitals and nursing homes.

Remembering Father Damien and his loving care for the sick, visit someone you know who is sick, homebound, or in a nursing home as a family. (Be sure to call first to see if it is OK, especially if you have small children.)
