

Ash Wednesday Evangelization Workshop

Resource Meeting for Parish Staff & Leadership

Thursday, February 2, 2012

10:00 a.m. to 12:00 p.m.

St. Charles Borromeo Pastoral Center

101 W. Airport Road, Romeoville, IL 60446

*Hosted by the Diocese of Joliet Young Adult Ministry Office
and open to all parish staff and leadership at parishes around
the Diocese of Joliet and the Archdiocese of Chicago*

Did you know that more people attend services on Ash Wednesday than go to Mass on any given Sunday? What's even more amazing is the number of less active, young adult, and fallen-away Catholics who come to church on this one day each year.

What is your church doing about this amazing phenomenon?

Come to this interactive workshop to better understand the trends and to explore some creative ways that pastors, parish staff, and pastoral leadership can use Ash Wednesday and the Lenten season as new evangelization moments.

COST: There is no cost to attend. All are most certainly welcome to bring multiple staff members and leadership to this meeting.

RSVP: Call Nancy Ferencik at 815.834.4048 or email nferencik@dioceseofjoliet.org.
If possible, please RSVP no later than January 31, 2012.

INFO: For more details, contact Paul Jarzembowski at the Diocese of Joliet Young Adult Ministry office: 815.834.4047 or pjarzembowski@dioceseofjoliet.org.
