

Office for Communications Diocese of Joliet

Message from the Office for Human Dignity Pontifical Mission Office

Dear Fathers,

God's peace to all. Because of the many unknowns about the virus and its development, the Missionary Cooperative Plan will be suspended until further notice. Most of our speakers are from other countries and may not be able to travel. Of course, there is the question of celebrating Mass. If diocesan orientations change and the situation of the virus betters, we will consider a later MCP, perhaps in August and September. Please do not hesitate to call me if you have any questions.

Blessings, Sr. Nancy
