

“I am leaving you with a gift-peace of mind and heart. And the peace I give is a gift the world cannot give. So don’t be troubled or afraid.”

John 14:27

After a family members death, on-going cemetery visits are encouraged and the Catholic Cemeteries of the Diocese of Joliet supports these Spiritual Works of Mercy by providing well maintained cemetery grounds and mausoleum complexes.

To help us in our ministry, please familiarize yourself with our Decoration Guide. If you have any questions or need clarification, please call your Catholic Cemetery office.

Mausoleum Crypt & Cremation Columbaria—Decoration Guide & Policies

The death of a loved one is a major life event that can impact individuals and families in many and varied ways. The grief that results from a loss is unique to each individual and carries with it no timetable or 'how to' manual. For centuries, flowers have been used to express sympathy, honor and love, in memory of those who have gone before us.

Your assistance is needed to help us continue to provide a reverent, beautiful and peaceful environment for all our families who visit our cemeteries and mausoleums.

Please share our Cemetery Mausoleum Decoration Guide with family and friends.

- Flower policy: Fresh flowers are not permitted. Only artificial flowers are allowed and must be placed in an approved vase unit
- For your safety, please do not move or stand on furniture
- For continued safety of ALL visitors, please do not place glass vases or statuary items along walkway or any areas of any mausoleum or cremation columbaria
- Please refrain from the placing balloons
- Any ornaments or decorations that are taped, glued or velcroed to the niche or crypt fronts will be removed without notice. These items damage the niche/crypt fronts. Niche or Crypt front damage is the responsibility of the niche/crypt owner
